# CHAIRPERSON'S WELCOME

## Welcome to Basingstoke Ice Skating Club

Basingstoke Ice Skating Club (BISC) is a self-funded organisation run by a voluntary committee, with members of all ages and abilities from beginners to Senior British Ladies Champion. The Club is an affiliated member of NISA, the governing body for ice skating in the UK.

The Club is open to all skaters and provides for the disciplines of Figure, Ice Dance, Pairs and Synchronised Team Skating.

We don't offer individual/private lessons but you can find a list of the coaches who teach at Basingstoke on the Coaches page of our website ([www.basingstokeiceskatingclub.co.uk](http://www.basingstokeiceskatingclub.co.uk)).

### ***Club Activities***

Outside of our core club ice sessions, activities may include:

- Off ice ballet classes targeted to skaters on a monthly schedule
- On ice 1-2-1 ballet sessions enhancing choreography and interpretation
- Off ice fitness and conditioning
- Master classes with guest coaches
- Club/ Inter-club competitions
- Show team performances for the public
- Galas
- Trips, fund raising and social activities

## **Club Ethos**

As per the Club Constitution, the aims and objectives of the club will be:

- To offer coaching, social and competitive opportunities in ice skating
- To promote the club within the local and ice skating communities
- To ensure a duty of care to all members of the club
- To provide all its services in a way that is fair to everyone

The committee is always welcoming to volunteers who are able to lend their skills to the running of the club, whether that be as small as helping tie someone's laces or helping put a jacket on to as large as serving on the committee in a substantial role.

**Everyone's contribution as a parent, carer, skater or volunteer is vital to our success.** By everyone working together, we strengthen our community, grow our club and improve every member's skills in the most positive way possible.

No organisation is perfect but BISC will constantly strive to offer as many opportunities they can to as many members as they can, as long as the activities are age, skill and developmentally appropriate. Different events, competitions and sessions will appeal depending on your stage in a skater's pathway. **If you have a great idea or any area of concern, please tell one of the committee.** Good or bad, we want to hear: unless we know, we can't make the changes that need to happen.

**Finally, it is vital for all members to adhere to club ice etiquette at all times.** Please ensure you and/or your child understands and follows this. It allows you to stay safe and have the most enjoyment from club.

I hope you enjoy your time in our club as part of your time in this wonderful sport,

# SAFEGUARDING

## *Basingstoke Ice Skating Club*

Sport can and does have a very powerful and positive influence on people – especially young people. Not only can it provide opportunities for enjoyment and achievement; it can also develop valuable qualities such as self-esteem, leadership and teamwork. These positive effects can only take place if sport is in the right hands, namely in the hands of those who prioritise the welfare of all children and young people and vulnerable adults and adopt practices that support, protect and empower them.

NISA has a duty of care, based in law and guidance, in order to safeguard all skaters from abuse. We believe that every person has the right to feel safe and be protected from any situation or practice that could result in him or her being physically or psychologically harmed. It is essential that the people we work with do not feel threatened or abused by anything we say or do and this policy sets out the safeguards we have in place to protect them from abuse. It is also essential that they themselves are aware of the safeguards we have in place and to know where to go should they have concerns of this nature. Every person involved in ice skating has therefore a legal and moral responsibility to protect children and young people from abuse.

NISA is committed to safeguarding the well-being of the children and young people, vulnerable adults, parents, carers, coaches, staff and volunteers who are involved in the organisation. We recognise that children and young people have rights as individuals and should be valued, listened to and treated with respect. All children and vulnerable young people are at risk of abuse and we therefore aim to achieve excellent standards of safeguarding in all areas.

<http://iceskating.org.uk/is/assets/File/Safeguarding%20and%20protecting.pdf>

All NISA affiliates and members will:

- Accept the moral and legal responsibility to implement procedures to provide a duty of care for young people and vulnerable adults, safeguard their wellbeing and protect them from harm;
- Respect and promote the rights, wishes and feelings of young people and vulnerable adults
- Recognise that some young people and vulnerable adults face additional barriers to getting help because of increased vulnerabilities which could include their ethnicity, gender, age, religion, disability, sexual orientation, social background or culture
- Ensure they adopt best practice to safeguard and protect young people and vulnerable adults from abuse and to reduce the likelihood of allegations being made against themselves
- Accept and abide by the safeguarding policy and procedures and the NISA code of ethics and conduct as well as all other policies, procedures and guidance respond appropriately to any complaints about poor practice or allegations of abuse.

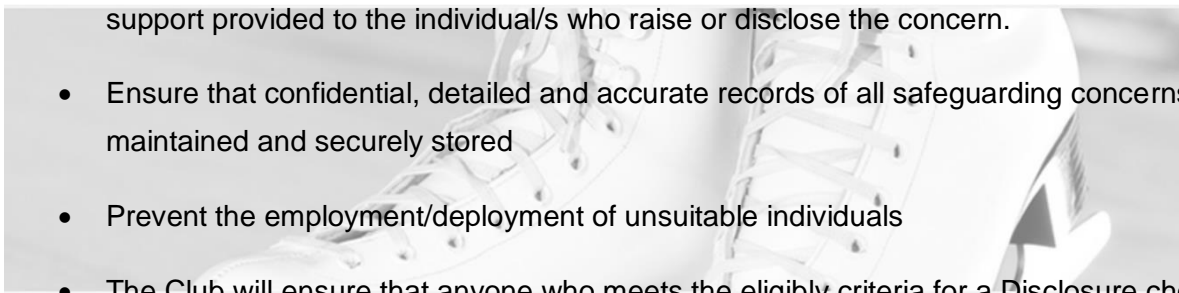

We are committed to recruiting staff, coaches and volunteers safely, ensuring all the necessary checks are made. We recognise and promote that all staff, committee members and coaches in paid and voluntary positions have a duty to prevent the abuse of children and vulnerable adults and report any safeguarding concerns to the relevant person. NISA will share concerns with agencies that need to know, involving parents, carers / enablers, children and vulnerable adults appropriately. This document sets out the policy, case management processes and reporting procedures for all staff, coaches or volunteers when engaged in skating activities with children and young people. Any complaint about the way that NISA has handled a particular safeguarding concern will be logged through our Complaints Policy and addressed by the relevant team.

BISC acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and NISA requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, gender, religion or beliefs, ethnicity, disability, sexual orientation or socio-economic background, all children;

As part of our safeguarding policy BISC will:

- Ensure all Club coaches, helpers and officials working with young people should read and adhere to the NISA Safeguarding Children and Young People Policy. The Club will follow the guidance of the policy in the event of any concerns or allegations
- Promote and prioritise the safety and wellbeing of children and young people
- Ensure everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people.
- Ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern.
- Ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
- Prevent the employment/deployment of unsuitable individuals
- The Club will ensure that anyone who meets the eligibility criteria for a Disclosure check will not be deployed until a satisfactory check has been returned

- Ensure robust safeguarding arrangements and procedures are in operation
- The Club will obtain written contact, and medical details of all club players which will be made known to coaches, where deemed appropriate and/or necessary
- The Club will identify a person whose role it is to deal with any issues concerning Child Protection and Harassment (Club Welfare Officer) and notify this person to all members. Anyone with concerns with respect to Child Abuse or Harassment should contact that person. If that person is unavailable they can contact the NISA Lead Safeguarding Officer
- The policy and procedures will be widely promoted and are mandatory for everyone involved in BISC. Failure to comply with the policy and procedures will be addressed without delay and may ultimately result in dismissal/exclusion from the Club

## Safeguarding Roles & Responsibilities of the Club

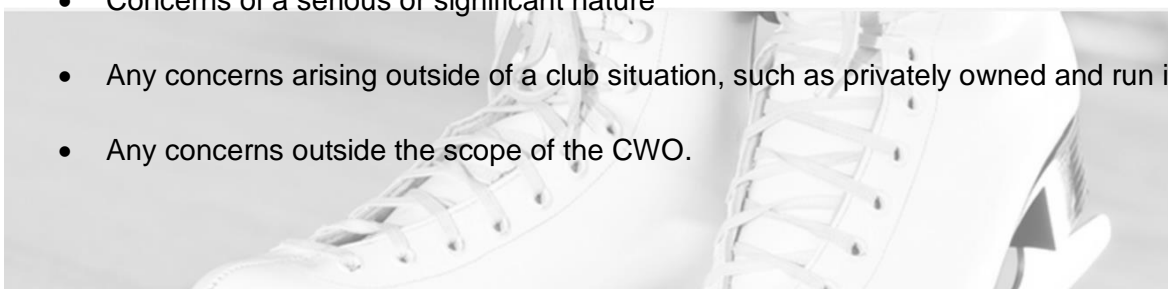

### Club Welfare Officer (CWO)

The Club Welfare Officer is the person appointed at club level and provides the essential point of contact for welfare within the club. The CWO is the person who has responsibility for receiving and acting upon concerns reported to them within the club setting. The club Welfare Officer should be selected for their skills and knowledge, such as being able to handle safeguarding matters in an appropriate and confidential manner. They should be approachable for any concerns regarding safeguarding and be appropriately supported by other members of the club. The CWO will report concerns to the SLO and offer advice at a club level where safeguarding concerns have arisen. Along with the club committee and rink management, the Club Welfare Officer should ensure that the club is adopting and implementing the safeguarding policy. Clubs are advised to ideally have two Club Welfare Officers, with at least one not holding a coaching position or being related to a coach at the Club.

### NISA Safeguarding Lead Officer (SLO)

Every sports organisation should designate a person to promote the welfare of children and vulnerable adults within the sport. The role includes liaising with the DBS recruitment process, co-ordinating the dissemination of relevant safeguarding policies, procedures and resources as well as supporting Club Welfare Officers in their roles. The SLO also provides support for the NISA board, as well as managing the administration of cases of poor practice/abuse within the sport and contribution to the Case management panel when cases arise. This includes being the central point of contact for enquiries such as from complainants, the LADO, Children's Social Care and/or the Police. The SLO is the NISA national lead for receiving and acting upon concerns of a safeguarding nature. This person will receive concerns about:

- Unacceptable behavior of a member of staff or volunteer towards a child
- Unacceptable behavior towards a child by someone within a club setting
- Concerns of a serious or significant nature
- Any concerns arising outside of a club situation, such as privately owned and run ice rinks
- Any concerns outside the scope of the CWO.

## BULLYING

Every child has the right to participate in ice skating free from the fear of bullying. Bullying may be seen as deliberately hurtful behaviour, usually repeated over a period of time, where it is difficult for those bullied to defend themselves.

Bullying has the potential to cause permanent harm (physical, emotional or psychological). Clubs should take steps to prevent bullying behaviour wherever possible and respond to incidents when they occur. A preventative approach means that sport is playing its part to create an environment and society in which people treat each other with respect.

Bullying can take the form of:

- Verbal: name calling, teasing, threatening, spreading rumours, sarcasm, racist taunts, homophobic bullying, graffiti and gestures
- Physical: hitting, kicking, punching, spitting, stealing/breaking belongings
- Emotional: ignoring, hurtful emails/text messages/social media posts, excluding from activities, tormenting, ridiculing, humiliating.

Although anyone can be the target of bullying, victims are typically shy, sensitive and perhaps anxious or insecure. Sometimes they are singled out for physical reasons – being overweight, physically small, having a disability or belonging to a different race, faith or culture.

Bullies come from all walks of life; they bully for a variety of different reasons and may even have been bullied or abused themselves. Typically, bullies can have low self-esteem, be excitable, aggressive or jealous. The competitive nature of sport can make it an ideal environment for the bully. The bully in ice skating can be:

- A parent who pushes too hard
- A coach who adopts a ‘win-at-all costs’ philosophy
- A player who intimidates
- An official who places unfair pressure on a person
- A spectator who shouts abuse.

The damage inflicted by bullying can frequently be underestimated. It can cause considerable distress to children, young people and vulnerable adults, to the extent that it affects their health and development or, in extreme cases, causes them to self-harm or consider suicide.

There are a number of signs that may indicate a person is being bullied. These signs may indicate other problems or be a reaction to other events in a child or young person's life but the possibility of bullying should be considered:

- Sudden reluctance to go to activities such as training or events that they used to enjoy or a drop off in performance/attendance
- Regularly feeling ill before training or events
- Physical signs such as stomach-aches, headaches, difficulty in sleeping, bedwetting, scratching and bruising, coming home with damaged equipment or clothes
- Behavioral changes such as becoming withdrawn, anxious, clingy, depressed, tearful, aggressive, unreasonable
- Start bullying others; a shortage of money or frequent loss of possessions
- In more extreme cases, they might stop eating, start stammering, cry themselves to sleep, have nightmares, run away or threaten/attempt suicide.

## Homophobic bullying

Lesbian, gay and bisexual (LGB) people may face homophobic bullying. Homophobia is often driven by a lack of understanding which only serves to strengthen stereotypes and can lead to actions that cause LGB people to feel excluded, isolated or undervalued.

## Adults bullying children or young people

Serious cases for example if the bullying included physical abuse or racist name calling, may be considered abuse and so may be referred to the Police or Children's Social Care.

The adult should receive clear guidance on how their behaviour needs to be modified and monitored to ensure this is achieved.

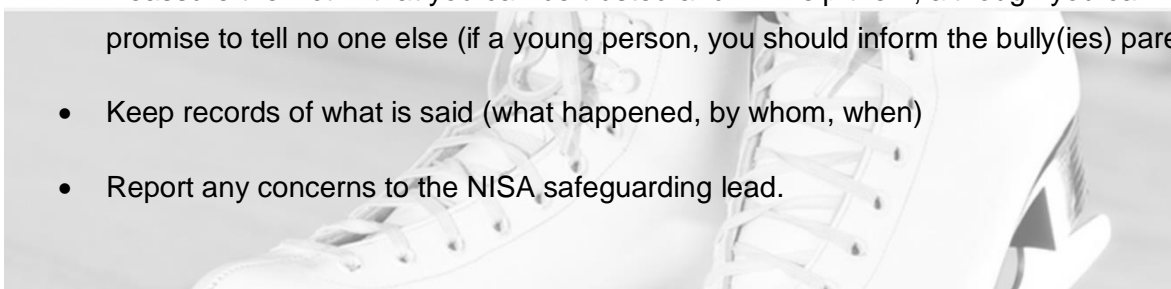

## Support for the Victim and the bully

The bully will need support to help them realise why their behaviour is wrong and assistance to change their behaviour. NISA should involve the bully's parents and the young person's school (if appropriate) in ensuring their behaviour is improving and any problems which may have caused them to bully are being addressed.

The victim's parents should be involved and they should be supported to ensure they feel able to remain in the programme.

## Action to Help the Victim and Prevent Bullying

- Take all signs of bullying very seriously
- Encourage all children to speak and share their concerns. Help the victim to speak out and tell the person in charge/someone in authority. Create an open environment
- Investigate all allegations and take action to ensure the victim is safe. Speak with the victim and the bully(ies) separately
- Reassure the victim that you can be trusted and will help them, although you cannot promise to tell no one else (if a young person, you should inform the bully(ies) parents)
- Keep records of what is said (what happened, by whom, when)
- Report any concerns to the NISA safeguarding lead.

### Action Towards the Bully(ies):

- Talk with the bully(ies), explain the situation, and try to get the bully(ies) to understand the consequences of their behavior. Seek an apology to the victim(s)
- If the bully is a young person, inform the bully(ies) parents
- Insist on the return of borrowed items and that the bully(ies) compensate the victim
- Impose sanctions as necessary
- Encourage and support the bully(ies) to change behaviour
- Hold meetings with the families to report on progress
- Inform all organisation members of action taken
- Keep a written record of action taken.
