|--|---------------------------------|
| | Recreational/ignition phase |
| | Transition to competitive phase |
| | Formal competitive phase |
| | Competitive options |
| | BISC Activity |

BISC focuses on social and developmental activity for all without conflicting with existing coaching. BISC **strongly** recommend remaining in formal coaching throughout your pathway, particularly throughout the ignition

BISC supports and compliments throughout the skater's pathway from early phases to British Champions.

Whatever your level, you can socialise, compete, perform, train and learn via our club.
