

Key

	Recreational/ignition phase
	Transition to competitive phase
	Formal competitive phase
	Competitive options
	BISC Activity

BISC focuses on social and developmental activity for all without conflicting with existing coaching. BISC **strongly** recommend remaining in formal coaching throughout your pathway, particularly throughout the ignition

BISC supports and compliments throughout the skater's pathway from early phases to British Champions.

Whatever your level, you can socialise, compete, perform, train and learn via our club.
